

2nd IC3T
International Conference on Computer and
Communication Technologies
July 24-26, 2015
Special Session on Software Engineering and applications
CMR Technical Campus, Hyderabad

Chair: Dr. Suma. V, Dean, Research and Industry Incubation Centre (Recognized by Ministry of Science and Technology, Govt of India), Dayananda Sagar Institutions, Bangalore.

Special session invites the original articles which contribute new results in the field of qualitative, quantitative research, projects, surveying works and industrial experiences that describe significant advances in the areas of Software Engineering & Applications .

Topics of interest include but are not limited to the following in all areas of the Software Engineering & Applications.

- Advanced Topics in Software Engineering
- Software Quality: Management, Measurement, Metrics
- Risk Management
- Project Management
- The Software Process
- Software Maintenance and Testing
- Software Engineering Decision Making
- Software Engineering using Data Mining Software Engineering in Cloud based applications
- Software Engineering in Network Applications
- Software Engineering in Middleware Applications

Submit your paper to <https://easychair.org/conferences/?conf=ic3t2015> **. Paper should not exceed 8 pages written in A4 size, and as per the AISC, Springer format. Please visit** <http://www.cmrtc.ac.in/ic3t2015/index.html> **for details.**

Note: All Accepted papers of the special session will be published Springer AISC series (Now indexed by ISI Proceedings, DBLP. Ulrich's, EI-Compendex, SCOPUS, Zentralblatt Math, MetaPress, Springerlink **).**
