

Event: National Science Day

Date: 27-28th /2/2018

Place: Cmrtc, Hyderabad

National Science Day. National Science Day is celebrated in India on 28 February each year to mark the discovery of the Raman Effect by Indian physicist Sir Chandrasekhar Venkata Raman on 28 February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930.

CMR TECHNICAL CAMPUS NSS UNIT and the students of CMR technical campus participated national science day celebrations conducted at Birla auditorium.

The banner features a top row of logos and portraits. From left to right: a portrait of a man, the logo of the National Council of Science & Technology (NCSTC) with the text 'संशोधन NCSTC SUPPORTED & CATALYSED BY NCSTC, DST, GOVT.
