Dear Sir,

Memorandum of Understanding (MoU)

The **International School of Engineering (INSOFE)** and **CMR Group of Institutions** signed a **Memorandum of Understanding (MoU)** at **CMR Technical Campus**, Kandlakoya village on 12-July-2012 to equip all engineering students with Applied Engineering Skills, where IT industry is required huge number of students with this knowledge in next five years. It is a first of its kind that ISE has signed a MoU with an Engineering institute.

As a part of this **MoU CMR Group of Institutions** will incorporate various education programs offered by INSOFE such as high end engineering areas like Data Sciences, Analytics and Optimization, Product Development, Cloud Computing, Systems Engineering, etc. International School of Engineering is the only institute in India, which is certified by the prestigious **Language Technologies Institute (LTI)** of **Carnegie Mellon University (CMU)**, USA for the quality of content, pedagogy and assessment.

All the III and IV year engineering students are eligible to take part in this program irrespective of branch.

A copy of MoU is enclosed herewith for your information and necessary action.
