

## Launching of New Logo, Formation of New Executive Committee and Organising a Technical Quiz “KARUYANTRA”

Reported by Brahmani, the Secretary of Robotics Club

20 May 2022, CMR Technical Campus

A logo can quickly grab viewer's attention and communicate a club core objectives in an interesting way. So we are planned to design a new logo for our club. As we planned, our team created an innovative logo that visually communicate the unique identity of ROBOTICS CLUB. To launch our new logo and to announce our newly formed executive committee we organised an event “KARUYANTRA” in our campus on 20 May 2022. And also conducted a Technical Quiz which would give the students a chance to show their talent and knowledge. This Technical Quiz consists of 3 rounds.

Round 1 - Quiz L1 (20/05/22)

Round 2 - Quiz L2 (21/05/22)

Round 3 – Presentation on any innovative idea related to Robotics (27/05/22)

Total 55 teams were registered for this quiz where each team consists of 2-4 members. First round held on Friday 20/05/22. We chose CMRTC Auditorium as a venue. A team was organized to manage the whole ceremony. Honourable Director Dr. A. Raji Reddy sir and HOD of ECE Department Prof. G. Srikanth sir was there as guest of honour. At 12:30PM program was started. Our club members were so excited. After much anticipation Robotics Club new logo was launched by honourable chief guest Dr. A. Raji Reddy sir. Later on he delivered a speech about the importance of newly emerging technologies. After that, Prof. G. Srikanth sir gave suggestions to improve students performance.

Then our faculty coordinator Ms. M. Sravanthi madam announced newly formed executive committee. This committee was formed under the guidance of Dr. K. Bharath Kumar sir and Ms. M. Sravanthi madam.
