

Chapter/Student Branch Name: CMR Technical Campus

Region: V

Event Date: 02-11-2019

Event Title: “INTERNATIONAL SYMPOSIUM ON COMPUTATIONAL INTELLIGENCE-2K19”

Speakers: Dr.A.Govadhan , Rector JNTU HYDERABAD.

Mr.K.Rajashekar , DDG, NIC , TELANGANA

Gist of the Event:

The 6th International Symposium on Computational Intelligence-Co-Located 6th International Conference on Information System Design and Intelligent Applications (INDIA-2019) is focused on promoting the recent advances and innovations in the disciplines of Computer Science and Information Technology. The Conference provides a platform to discuss new issues, to tackle complex problems and to find advanced solutions breeding new trends in Computational Science. This Conference will also provide opportunity to understand state of art in the cutting edge technologies. The event is organized by the department of Computer Science and Engineering, CMR Technical Campus, Hyderabad, Telangana.

Some of the papers selected in ISCI-2k19:

- 1.Sequential Pattern Mining for U.S. presidential elections using Google Cloud Platform(GCP).
- 2.Efficient Lossy Audio Compression using vector Quantization.
- 3.Multi- objective Evolutionary Algorithms for Data Mining: A survey
- 4.A Multi Criteria Decision Approach Using Sentiment Analysis.
- 5.Smart Attendance System by Face Recognition using SIFT Algorithm and SMS Reporting.
- 6.Text Summarization using NLP.
- 7.A Novel Recognition Approach to Handle Three Level Classification of Gender in Facial Images.
- 8.An Efficient Scene Content based Indexing and Retrieval on Video Lectures.
