KICKSTARTER

- **ABOUT EVENT**

To introduce codechef platform and how contest goes on and to improve their problem solving skills & critical thinking and to check where do our chapter members, executive team stands in competitive programming.we have conducted this events.

- **NO OF ATTENDEES :46**

- **HIGHLIGHTS OF THE EVENT**

This was our first coding contest on codechef it went very well and executive team also took part in this contest

- **WHAT WAS THE ACTUAL OUTCOME? (BOTH QUALITATIVE & QUANTITATIVE)**

Many students participated and we got 161 submission and they have given their level best to submit correct code.

- **CONCLUSION**

Through this event we have concluded that many of the chapter member needs too much improvement in problem solving skills , considering this we will organize our future events.
