Description about the Event: Flash Mob 2k22 is a large public gathering at which people perform an unusual or seemingly random act and then disperse. It was conducted during the month of November. Students made the event successful by taking active participation in the mob. We orchestrated a dance performance featuring 100 participants, and it was aptly named #the100.

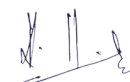

Outcome of the event : The Flashmob (#The100) was a spectacular success and this brought joy, surprise, and unity as participants spontaneously performed coordinated activities in a public space. Spectators experienced delight, creating memorable moments.
