Event Report

Date: 06-10-2023

Time: 2:00pm to 4:00pm

Venue: k- Block, Room no 303 ,CMRTC

Description

The students assembled in the auditorium by 02:15 and then settled down quickly. The HOD of ECE Department were present as an guest CMRTC and the whole ECE association team was present .

The anchor started the session by introducing the ECE association team and then there was a game play that was on like '**scene dekho movie ka nam bolo**' and after that the HOD of ECE Department addressed us.

HOD sir took over the session and spoke about the contribution of students in institute ranking system on how our study pattern should be and how to gain a higher levels in academics and increase the institution rank

He then encouraged with some real life examples and he also encouraged students to take a part in every aspect that is conducted by the college.

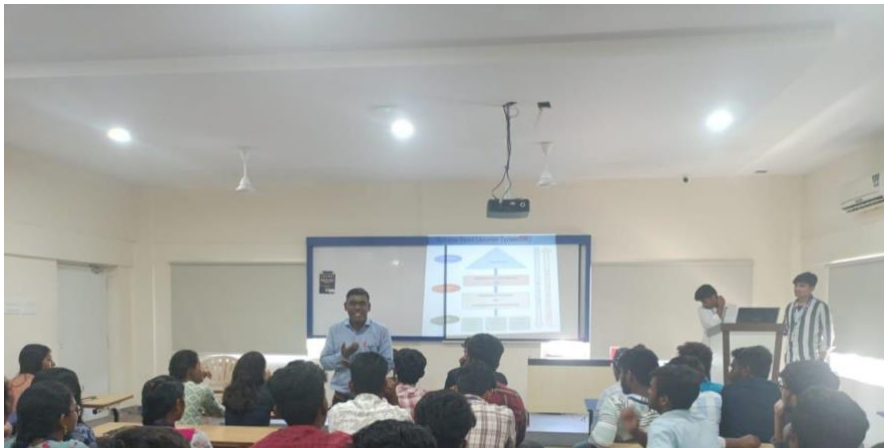

The HOD continued the session by speaking about the importance of ranking for the students so that they can have a scope of succeeding in various fields after graduation.

He also emphasized on the need for inculcation of decent coding skills required by the ECE students as well, along with communication skills.

HOD sir , then showed the statistics of education system analyzed it for the audience and concluded that the majority of ranking system will be increased by the student dedication and interest on the academics

The event was then concluded by the AECE anchor by 4:00.
