

YEARLY STATUS REPORT - 2021-2022

Part A

Data of the Institution

1.Name of the Institution		CMR TECHNICAL CAMPUS
• Name of the Head of the institution		Dr. Avala Raji Reddy
• Designation		Director
• Does the institution function from its own campus?		Yes
• Phone no./Alternate phone no.		09247033440
• Mobile no		9248727220
• Registered e-mail		director@cmrtc.ac.in
• Alternate e-mail		info@cmrtc.ac.in
• Address		Kandlakoya (V), Medchal Road, Hyderabad
• City/Town		Hyderabad
• State/UT		Telangana
• Pin Code		501401
2.Institutional status		
• Affiliated /Constituent		Autonomous
• Type of Institution		Co-education
• Location		Rural

• Financial Status	Self-financing				
• Name of the Affiliating University	Jawaharlal Nehru Technological University Hyderabad				
• Name of the IQAC Coordinator	Prof. G. Srikanth				
• Phone No.	9248727226				
• Alternate phone No.	9247016285				
• Mobile	9248727226				
• IQAC e-mail address	iqac@cmrtc.ac.in				
• Alternate Email address	hod.ece@cmrtc.ac.in				
3.Website address (Web link of the AQAR (Previous Academic Year))	https://cmrtc.ac.in/wp-content/uploads/2023/08/AQAR-20-21.pdf				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://cmrtc.ac.in/academics/academic-calendar/				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	A	3.12	2019	08/02/2019	07/02/2024
6.Date of Establishment of IQAC			01/09/2017		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,					

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Dr. S. Rao Chintalapudi	CHILDREN CENTRIC OUTREACH PROGRAMME	DST - NCSTC	2021	3299338
Dr. P. Venkatakrishnan	MODERNISATION AND REMOVAL OF OBSOLETE SCIENCE	AICTE	2022	2299985

8. Whether composition of IQAC as per latest NAAC guidelines	Yes		
• Upload latest notification of formation of IQAC	View File		
9. No. of IQAC meetings held during the year	2		
• Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website?	Yes		
• If No, please upload the minutes of the meeting(s) and Action Taken Report	No File Uploaded		
10. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No		
• If yes, mention the amount			

11. Significant contributions made by IQAC during the current year (maximum five bullets)
The IQAC ensures that the college maintains a consistently good academic record. For proper improvement of academic standards, the IQAC monitors teaching and student performance. Feedback is regularly taken to facilitate the process. As an advisory body, the IQAC offers suggestions for the development of the intellectual property, language skills, the teaching-learning process, infrastructure and in many other fields related to the college.

Departments are encouraged to regularly hold tutorials and special classes to address the specific needs of students. The IQAC regulates the arrangements for holding seminars, workshops etc. by individual departments to upgrade the knowledge base of the students. The need-based CRT classes ensure the placements within the campus for various IT/ITES companies and other core industries.

12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
Preparation of Annual Quality Assurance Report (AQAR)	AQAR 2020-2021 is prepared.
Enhancement of Teaching learning activities with combination of ICT tools	Number Class rooms equipped with ICT tools are Increased
Participation in ARIIA Ranking	Institute Secured ARIIA Rank
Participation in National Institutional Ranking Framework (NIRF)	Institute is ranked 201-250 band in engineering category as per National Institutional Ranking Framework (NIRF)-2021, Ministry of Human resource Development (MHRD), Govt. of India.
Academic and administrative audit	Academic and administrative policies are reviewed and made required changes
Faculty and Students registration in NPTEL	Institute Recognized as best performer institute
Submission of research proposals.	No of departments participation in submission is improved

13. Whether the AQAR was placed before statutory body?

Yes

- Name of the statutory body

Name	Date of meeting(s)
Academic Council	06/12/2022

14. Whether institutional data submitted to AISHE

Year	Date of Submission
2023	15/02/2023

15. Multidisciplinary / interdisciplinary

To encourage Multidisciplinary / interdisciplinary culture in the institution

Multidisciplinary / interdisciplinary course is introduced in Open elective and professional electives.

Basic Elements of Emerging Technology course is introduced in first year to inculcate Multidisciplinary / interdisciplinary approach among the students

Technical and Non-technical club are functioning at institute level and members are from all the branches

Work space is provided to students to develop their innovative ideas into products.

IIC activities and Hackathon are conducted regularly to encourage to develop inter disciplinary working culture among the students.

16. Academic bank of credits (ABC):

The institute is registered on the ABC (Academic Bank of Credits) portal to facilitate credit mobility for students from Academic Year 2022-2023.

Academic Bank of Credit (ABC) of the institute to facilitate transfer of credits acquired by the students from institute to another institute for the award of a degree.

17. Skill development:

Apart from the academic courses, Campus Recruitment Training (CRT) courses is introduced to develop the skills sets of the student as per the current industry requirement. students are trained with the soft skills, coding skills and entrepreneurship skill.

- Capgemini established Centre in the institution centre of excellence in JAVA and Embedded Systems and wither some of other compenies
- Several MoUs are made with reputed institute and Industry to train the students and hire as intern.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

CMRTC is established various Technical and cultural clubs meant for

conducting the student activities. It is providing to students interact with industry experts and eminent academicians to share their knowledge.

- The Akreethi - cultural and Lexis- literary clubs, Sports club , Photography club and Various Technical clubs are established for up-skilling of the student's skill.
- Faculty and students are completing the MOOC courses through AICTE Swayam and NPTEL platforms. Institute has NPTEL local chapter. Local Chapter of CMRTC appreciated for its performance by NPTEL agency.
- Various Mandatory Courses such as Constitution of India, history and Yoga classes are introduced to develop universal human values among the students
- Students registered under NCC and NSS schemes are actively conduct various awareness and social service programs as per the event calendar

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

OBE is an approach measure the outcome of the student upon the completion of course. It is a student-centred instruction model that focuses on measuring student performances through outcomes.

The OBE model measures the progress of graduates in three parameters, through: Course Outcomes (CO). Program Outcomes (PO) . Program Educational Outcomes (PEO)

The course outcomes are defined for each course and the same will be evaluated using the students' performance in the continuous internal evaluation.

- Question are prepared using Blooms Taxonomy to measure the learning from level one to level six
- After completion of the semester the Courses Outcomes are mapped with Program Outcome
- Add on course and seminar are conducted meet the Program Outcomes which are directly attend from the academics.
- Surveys are collected from Alumni, Employee and Exit survey for measuring the outcomes using indirect method
- Appropriate corrective measures are implemented to bridge the curriculum gaps by conducting various inviting lectures, professional activities like participating in design challenges, Modelling and Experimental Tools in engineering (METE) project expos etc.

20.Distance education/online education:

- smart classroom with latest ICT facilities with sound technical support in each department.
- Use of technology-based education platforms, such as NPTEL / SWAYAM / DELNET / COURSERA.
- Vocational Education to promote employment in local area and rural employment
- Freedom to the teacher to review and amend the curriculum, periodically
- Promoting the teachers to integrate research with teaching.

Part B**CURRICULAR ASPECTS****1.1 - Curricular Planning and Implementation**

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

For implementing effective delivery of the curriculum, the following process has been adopted in CMR Technical Campus:

- Dean Academics will present the Academic Calendar in Academic Council Meeting and after the approval it will be circulated**

to all the departments that includes date of commencement of class work, First and Second spell of Instructions about 16 weeks, Mid-I exams about one week, Mid-II exams about one week, Preparation and Practical Examinations about one week and End Semester & supplementary Examinations about two weeks.

- Department advisory committee will prepare Academic Planner in line with Academic Calendar for every semester that includes planning of course allotment, Time Table Preparation, Course File Preparation, CRT Classes, Association Hours, Events, workshops at department level.
- As per the curriculum, the courses are allotted to the faculty based on their experience and expertise.
- The concerned faculty prepares course file that consists of lecture schedule, tutorial sheets, assignments and Question bank before commencement of the Class work. This course file demonstrates the documentation process of effective deliverance of curriculum.
- The lectures have been delivered with the help of ICT tools and teaching aids.
- Syllabus coverage has been reviewed on monthly basis to ensure coverage of syllabus in time

File Description	Documents
Upload relevant supporting document	View File
Link for Additional information	https://cmrtc.ac.in/2021-22/Academic_Calendar_Page_21-22.pdf

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Continuous Internal Evaluation(CIE) for theory courses, there shall be 2 Mid-term examinations of 30 marks each. Each Mid-term examination consists of subjective paper for 25 marks and assignment for 5 marks and the final CIE marks are calculated by taking average of the two Mid-term examinations.

CIE for practical courses, out of 30, 15 marks are allocated for day-to-day work evaluation and the remaining 15 marks for internal practical examination. There shall be two internal practical examinations of 15 marks each conducted by the laboratory teacher and the average of the two is considered.

The Controller of Examination will send the circular about the

examination schedule two weeks before as per the academic calendar. The department exam coordinator will inform all the course coordinators to send the internal exam question papers of two sets to Head of the Department. HoD will forward these question papers to exam section. The exam section prepares seating arrangement chart, list of invigilators etc. After the exams, concerned course faculty has to submit the evaluated answer scripts along with assignment booklets to the exam section as per the schedule given in the academic calendar. Record of internal evaluation is maintained at both department and college level.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

All the cross cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability are integrated into our curriculum at under graduate and post graduate level.

The following courses relevant to Professional Ethics are integrated into curriculum at under graduate and post graduate level as a

mandatory/regular course:

- Professional Practice, Law & Ethics
- Business Ethics and Corporate Governance
- Business Law and Regulations
- English for Research Paper Writing
- Pedagogy Studies
- Intellectual Property Rights
- Constitution of India
- Ethical Hacking

To address gender related cross cutting issues, a Gender Sensitization Lab course has been introduced into all B.Tech Programmes Curriculum as a mandatory course.

The following courses relevant to Human Values are integrated into curriculum as a mandatory/regular course:

- Induction Programme for all B.Tech First Year Students
- Management and Organizational Behaviour
- Value Education

The following courses relevant to Environment and Sustainability are integrated into curriculum as a mandatory/regular course:

- Environmental Science
- Environmental Engineering
- Air Pollution
- Solid waste management
- Renewable Energy Sources
- Disaster Management
- Stress Management by Yoga
- Personality Development through life enlightenment skills

2.2 - Catering to Student Diversity		
2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners		
The institute considers three parameters for identifying level of		

students as slow learners & advanced learners.

The parameters are Performance at Intermediate, EAMCET Ranking and Performance at internal test level.

Few Strategies adopted for facilitating Slow Learners:

- The respective mentor of student assesses the nature of their problem and motivates them in appropriate manner to achieve their academic goals.
- Remedial classes are planned and the schedule is circulated among the students in advance for conduction of the same.
- Extra classes are organized to clarify doubts and re-explaining of critical topics for improving performance.
- They are provided with the Question Bank, Tutorial questions, Course material and Model question papers.

Few Strategies adopted for facilitating Quick Learners

- Advanced learner are motivated to participate in Project exhibition and Hackathons at various levels
- They are involved in Department Events as members and are assigned to conduct events under Various Clubs.
- Special Programs for advanced learners include Product Training where students of II and III years are given training on current industry needs not covered in their regular academics.
- Made to complete additional courses -NPTEL courses, MOOCs, certification
- Encouraged to complete one course of next semester in advance.
- Encourage to publish article in conferences/journal.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

We in CMR Technical Campus believe in the adoption of student centric methods to enhance student involvement as a part of participative learning and problem solving methodology. We follow namely role-plays, discussions, debates, laboratory experimental learning, mini projects and case studies.

1. Experimental learning

- Club activities
- Additional experiments in the laboratory
- Hobby project
- Club activities
- Internship
- Workshops

2. Participative Learning Methodologies followed in the Institution

- Group Discussions
- Role-play
- Club Activities
- Hackothons

3. Problem Solving Methodologies followed in the Institution

- Case studies
- Miniproject & Major project
- Internship

- Coding contest.

4 ICT Enabled Teaching: ICT enabled teaching includes Wi-Fi enabled class rooms with LCD, Language Lab, Smart Class rooms, etc. The institution adopts modern pedagogy to enhance teaching-learning process. The institution has the essential equipment's to support the faculty members and students.

5. Field Visits- Faculty identifies and propose Academically Significant Field visits and Surveys

6. Industrial Visits- Departments Plan and Organize the industrial visits for students to provide exposure to industrial work culture.

7. Participation in competition at various level -For Real time exposure students are encouraged to participated at National and International Level.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

In CMR Technical Campus, the classrooms and computer labs are ICT enabled with projectors installed and the campus is enabled with high speed wifi connection. The faculty at CMRTC use various ICT enabled tools to enhance the quality of teaching-learning.

- Google platform is used to manage and post course related information- learning material, quizzes, lab submissions and evaluations, assignments, etc.
- Virtual labs are used to conduct labs through simulations.
- Classrooms and Laboratories are equipped with projectors, LCD Screens and Speakers.
- The PPTs are enabled with animations and simulations to improve the effectiveness of the teaching- learning process.
- The online learning environments are designed to train students in open problem-solving activity.
- Video lectures are recorded using Google and upload in appropriate platforms for students to use as extra learning

resources.

- Seminar halls and One Auditorium is digitally equipped with mike, projector, cameras and computer system.
- Online Coding Platform, Spoken tutorials & various inter Group college competition are conducted to assess the learning ability of the students.
- Lab manuals are mailed to students well in advance the experiment is performed.
- MOOC Platforms are available to cater the needs of the students.
- In Library, online e- resources are made available for local and remote access.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment in CMRTC is very much transparent that every student is aware of the standard internal assessment process of both

theory & practical subjects.

The institute prepares an Academic Calendar in line with university calendar prior to the commencement of the academic year in consultation with the Heads of the Departments. Then the Institute organizes orientation programs to the students to make them acquainted with the rules and regulations, examinations, evaluation process, Extra-curricular activities etc. Similarly every department organizes a semester orientation program with parents in the first week after starting a new semester.

After every Mid-Term examination, the corrected answer scripts are distributed to students to know their performance and the same is discussed in the class rooms. All the subjects wise Marks are displayed in the notice boards and in the website. Before uploading the marks, the consolidated mark sheet is circulated among students for their clarifications if any.

With respect to laboratory, marks obtained for individual experiments are awarded in their records and the same is entered in the faculty register also. Once all the experimentations are completed, the average marks obtained are calculated and the same is uploaded to the university and even displayed in the notice board.

File Description	Documents
Any additional information	View File
Link for additional information	https://cmrtc.ac.in/2021-22/2.5.1 Additional Information 21-22.pdf

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

CMRTC has the redressal mechanism for grievances regarding examination marks. The redressal committee consists of The Director, HoD, and In-charge of Examination. Students can apply for any issues in the evaluation of their answer scripts.

Continuous Internal Evaluation:

The teacher distributes evaluated answer scripts to students, and any clarifications or grievances are addressed by the teacher. The internal marks are then displayed on notice board. If any discrepancy is noticed, the concerned teacher will resolve the discrepancy, and the necessary corrections will be made within 2-3

working days.

End semester examination:

Students can express grievances by applying for the following evaluation procedure:

Re-counting:

If the students are not satisfied with the marks awarded, they can apply for re-counting within a week from the declaration of results through the examination branch at the institution. The results of re-counting will be announced as per the norms.

Re-evaluation:

Students can apply for re-evaluation of their answer scripts within a week from the declaration of results if they are not satisfied with their results. The results of re-evaluation will be announced as per the norms.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Outcome Based Education (OBE) has been implemented as part of CMRTC curriculum development and teaching learning process. The Institute's well-defined Vision and Mission statements are used to derive the vision and mission statements of each program. All of the programs have stated their Program Educational Objectives (PEOs), which are in line with the programs' vision and mission. All of the courses have defined Course Outcomes using the Revised Blooms Taxonomy as a reference.

All of the Outcomes incorporate faculty and alumni input while keeping current technology demand, job prospects, ethical and societal requirements in mind. The institute website lists all of the PEOs/POs/PSOs/COs and their accomplishments. They are also

prominently displayed throughout the institute, ensuring effective dissemination among stakeholders. OBE awareness and expected outcomes are discussed in student orientation programs, faculty meetings, alumni/parent meetings, and so on.

Paste link for Additional information	https://cmrtc.ac.in/2021-22/2.6.1 Link for Additional Information 21-22.pdf
Upload COs for all Programmes (exemplars from Glossary)	View File

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Assessments of course outcomes are the key aspects in the Outcome-Based Education (OBE). Departments of institute has clearly stated learning outcomes of the program and integrated it with the department vision and mission. The learning outcomes are dispersed through scientifically planned syllabus designed by senior faculty, subject experts, Industry persons and approval from the Board of Studies (BOS). The department follows well-structured teaching learning methodologies and assessment measures to adhere with the COs and POs. The learning outcomes are critically evaluated by the Course Coordinators and are checked with the target value.

In the OBE system assessment is done through one or more processes. Assessment is carried out by the department using Direct and Indirect Assessment tools.

In the Direct Assessment tool method students' knowledge and skills are measured from their performance in the Continuous internal evaluation, End semester examinations, Seminars, Comprehensive Viva-Voce, Laboratory Examinations, Mini and Main Project evaluation etc....This method provides strong evidence of students learning.

in the Indirect methode of assesment includes feedback Alumni feedback, Employer feed back.

POs/PSOs are also attained through direct and indirect assessment methods with 80% and 20% weightages respectively.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Institute established with a well-balanced eco-system for promoting the innovations by encouraging the student talent under the guidance

of well qualified and experienced faculty supported by excellent infrastructure facilities such as center of excellences in cutting edge technologies

R&D Cell of the institute, funds mentors to nurture ideas to start-ups and entrepreneurs. The Innovation policy and guidelines includes the complete information related to the support extended by institution related to publications, skill development, IPR, seed funding, filing designs, copy rights, projects, consultancy and etc. College recognized as host institution for setting up Business incubator by MSME, have an MOU for EDC. To strengthening R&D, Institute established center of excellences like Data Analytics, Robotics, 3D printing, Nano Technology etc.

As a result of such eco-system, students co-work with the faculty in design, development of systems and innovations. 270 students 45 teams were selected and participated in National Level Hackathon, students were published 90 research papers in peer reviewed journals, more than 110 research publications published in SCOPUS/SCI/ WOS journals which are supported by the institute. Apart from these institute is supported in filing 10 patents, 5 patents during this year along with 3 Funded Projects worth of more than 15 L

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

CMRTC is located at Kandlakoya (Vil), Medchal (Mandal & Dist) in Hyderabad-Nizamabad-Nagpur highway, encompassing a sprawling area of 10 acres with a built-up area of about 33,539.60 sq. m. The college boasts a total of 61 classrooms equipped with LCD projectors, laptops/computers, and WiFi for the teaching-learning process. The central library is well-equipped with a Digital Library containing 20 computers for accessing e-learning resources. Additionally, the college features air-conditioned seminar halls with LCD projectors, computers with internet connectivity, and a public address system.

There is a 1,200-seating capacity auditorium with state-of-the-art facilities for conducting joint sessions for students. A total of 62 laboratories are well-equipped and meticulously maintained. The computer laboratories are furnished with licensed software as well as open-source software. In total, 1,420 computers are allocated for teaching and learning purposes which includes two computer centers with 100 capacity desktops each in the institution. The physical infrastructure includes classrooms, laboratories, seminar halls, departmental libraries, and central facilities such as the computer center and central library. All these facilities have been planned and constructed in accordance with AICTE norms.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The Department of Physical Education (DPE) at CMRTC is dedicated to imparting knowledge and fostering skills in various sports and games, elevating both students and faculty to higher levels of expertise. The institution is equipped with a range of indoor and outdoor facilities, supported by two qualified Physical Directors and additional staff.

Indoor sport complex Facilities:

- Three Wooden floor Badminton court
- Two Billiards Tables
- Three Table Tennis Tables
- Chess Boards
- Six Carom Boards

The gym is furnished with internationally standardized imported equipment, boasting:

- Two Treadmills
- Two Cycling Machines
- Two Cross Trainers
- Six Multi Station Gym
- One Cable Crossway
- Ten pairs of Dumbbells
- One Flat Bench
- Weight Rods different weight of Weight Plates
- One abdominal Bench

The institute offers a dedicated yoga room with a qualified trainer, aiming to enhance the mental well-being of students.

Outdoor sports Facilities:

The institute provides adequate facilities for outdoor sports, including cricket, hockey, football, and athletics. It features one basketball court, two volleyball courts, two kabaddi courts, a handball court, and a throw ball court.

The institute conduct various cultural activities like dance, singing, skit, elocution compptitions, battukamma celebration, traditional day under Akriti and lexus club.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

CMR Technical Campus established a spacious Central Library with an area of 968 Sq. m. in a pleasant environment. It started its functioning with a vision to serve the information needs of its users and to promote a continuous learning atmosphere with holding various Text Books, Reference Books, eBooks, Journals, Magazines, eJournals, Subject PPT's, Subject Animations, Project Reports, Tutorials and NPTEL Video Lessons related to engineering and allied subjects. The Central Library, the college's prime knowledge source, has an impressive collection of 33600+ volumes of 3600+ titles and 130+ plus National & International print Journals, 17 Magazines and 7 News papers to cater to the Engineering and Management streams. The library books can be easily accessed through the use of Online Public Access Catalogue (OPAC) and is fully automated with the Integrated Library Management Software "New genLib Commercial Release, Version - Helium 3.1.3".

The Digital Library is an added facility for the benefit of the students and faculty. Digital Library has 20 systems with internet connectivity to access the digital content like NPTEL Video Lectures, MIT Open Courseware, e-Books and Projects through "College Data Share" (Institutional Repository) software. User can access "College Data Share" within the campus by using the local IP and even can access anywhere by using the public IP.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

CMRTC constantly upgrades both software and hardware in accordance with prescribed norms and academic standards. The following are the strategies for deploying and upgrading IT infrastructure and associated facilities:

- The required count of computers is maintained as per prescribed norms. Total number of computer available for the current assessment year is 1420.
- Obsolete computers are replaced periodically.
- Software is purchased, and licenses are renewed as per syllabus requirements.
- Internet bandwidth connectivity is upgraded based on needs.
- Wi-Fi connectivity provided on the entire campus is upgraded periodically. Currently One GBPS of bandwidth internet speed provided in the institute through wired and wireless

connectivity.

- IT-enabled accessories are purchased as per requirements
- Maintenance is carried out regularly.

Network Security:

CMRTC is follow necessary steps to ensure information security and protect against potential threats. The use of appropriate safety standards, limiting remote access to authentic users, and configuring firewall settings are important measures in safeguarding data. SOPHOS firewall is a recognized security solution, known for its capabilities in threat detection and prevention.

LAN facility:Both Ethernet and Wi-Fi LAN options are available across departments and office buildings, providing users with flexibility in accessing the network. The 1 Gbps dedicated Internet indicates a commitment to enhancing network speed and reliability.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

CMRTC follows well defined Standard Operating Procedures (SoP) for the utilization and maintenance of physical equipment of laboratories, Classrooms..etc. Some of the standard operational procedure named is as below.

- **Maintenance and utilization of Computers**
- **General Maintenance**
- **Establishment and maintenance of labs SoP includes policies and procedures of record and maintenance.**
- **Records of all infrastructure including equipment, software, books and other items shall be maintained by all departments and sections of the institute.**

This SOP shall provide definition of assets/piece of infrastructure which must be entered in the stock Register, the process of making entries in the stock Register, the coding of each item and marking of inventory numbers on pieces of infrastructure. The SOP shall also focus on depreciation, physical asset verification and its periodicity, transfer of assets from one to the other department, writing off of obsolete items and their disposal.

Upkeep and maintenance

All departments shall strictly follow the laid down procedures and guidelines of the institute with regard to cleanliness and preventive and corrective maintenance of infrastructure

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

CMRTC Alumni Association (CMRTCAA) is a registered body, which strives to create a forum to foster a fruitful communication and a congenial relationship between the Alumni and the students. CMRTC alumnus conducts Alumni meet every year on last Saturday of December. The institute strongly believes the success of alumnus reflects the success of the Alma Mater.

The Alumni acts as advisory members in all professional bodies and closely monitors and advices to the students on various events. Alumni members create awareness on employment opportunities and provide guidance to the pre final and final year students by delivering guest lecturers /seminars.

Alumni members contribute to the various social services activities through SAHAYA and NSS. Alumni members help in getting permission for industrial visits in their organization.

Alumni members help in coordinating for signing MoU with Companies where the alumni are working. Each department separately conducts meetings with their alumni members.

Alumni proactively give feedback on syllabus and even provide input in formulation of PEOs, POs, PSOs and in Surveys. Alumni have been instrumental in aiding financially by contributing books to the library.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Nature of Governance:

CMRTC Governing body is top decision-making entity, which schedules meeting twice in a year and taking critical important decisions with respect to budgetary allocation as well as academic improvements are taken and the same is passed on to the member secretary of governing body. Further the Director summons the Deans and HODs of various departments to prepare the strategies for implementation of the decisions taken in the governing body meeting.

Participation of the teachers in the decision making Bodies:

CMRTC believes teachers form the core group of decision

implementation. Imperative teachers from all cadres are part of every committee formed in line with requirements of higher education regulatory bodies like AICTE, UGC, NBA, NAAC and affiliating university. The management has always welcomed the views and suggestions expressed by the faculties in taking institution ahead.

The presence of the faculty can be found in all the following committees.

Academic Advisory Committee

Academic Audit Committee

Program assessment committee

Department Advisory committee

Staff Selection committee

Anti-Ragging& Disciplinary Committee

Grievance Redressal Committee

IQAC Committee

R & D Committee

Training & Placement Committee

Women Empowerment Celletc

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

CMRTC prioritize the eminent leadership in the limelight of decentralization and participatory management in inclusion of all the stakeholders The Director is Head of the Institution, assisted by Deans, Department Heads, Controller of examinations, The

Librarian, The Training and Placement Officer and Administrative officer. The decentralization is made active in accordance with inter responsibilities made in the system.

The decentralization and participatory management is established in institution reflects in all the Academic and Administrative activities. The Director, the Council of Deans, the Controller of Examination, and the Heads of every Department are responsible for all the Academic and Administration in functional areas of Examination Department. The best practices are implemented in shadow of decentralization and Participative management. The key functionalities at the institution level are initialized as of Deans, Controller of Exams, Heads of Department, Training and Placement Officer. The respective roles in cite of periodical meetings are made effectively in every end. The training and placement is aligned with strategic methods and techniques with which students are being benefited in large scale.

The training and placement case study is an example of decentralization in the institutional level. The participative heads are management, Training and placement officer, Training Coordinators and incharges from every department collaboratively focus in tailoring the students as of the requirements of industries locally and globally. As a practice of decentralization the flexibility is being followed for quality training with the allocation of resourceful personalities in boosting the efficiency of students for better placements and bright future.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

CMR Technical campus has shown tremendous growth over the past 12 years. The strategic plan of CMRTC is formulated with Academics, Research and Infrastructure as key criteria. The strategic Plans includes

- Efficient and effective teaching learning process.
- Continuous growth in research and development

- Students over all development through continuous participation
- Financial planning and Management
- Students placements and encouraging to become an entrepreneur
- Alumni interaction and outreach activities
- Signing MoU with industry for training and Internship for the students.
- Constant Internal Quality Assurance System

Once the planning has been done, the same is implemented and monitored by concern authoritielike BoG, Principal, HoDs and incharges of various committees.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The administrative structure, guidelines and procedures are explained in the organogram of the institute. It is provided on the college website.

Governing Body:The members of the body take major decisions like consideration and approval of strategic plans to accomplish the goals set by the institution. **Academic council:** The policies are further implemented by the heads of the departments and faculty for the efficient functioning of the institution.

Board of Studies: Every department of the institution has a board of studies and conduct meetings two years once to review the syllabus.

Finance Committee: The finance committee examines accounts, expenditures, proposals that require new expenditures and submits to the Board of Governors for approval of the governing body.

The institute has displayed an organogram with the set roles and responsibilities. Organisational chart shows the delegation of power at various levels at various administration positions such as principal, controller of examinations, finance officers, department heads,

..etc.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

CMRTC initiatives towards the welfare of its teaching and nonteaching staff include the following:

- Training in the use of computers for non teaching staff to motivate them to undertake selfdevelopment.
- Facilitation of faculty participation in programmes forprofessional development, organized by the institute and alsoother agencies, through grant of leave and providing financial incentives.
- Financial incentives and on duty leave for faculty who are

engaged in research related works.

- Organization of sports and cultural activities in which all staff can participate.
- Subsidized transport for non teaching staff and faculty.
- Group insurance scheme for staff members.
- Gifts to the staff members on occasion of Marriage, house warming ceremony, children marriage.
- Free-ships for the children of staff members.
- Maternity leave for female staff members.
- Financial assistance for higher studies.
- Employees Provident Fund to the eligible staff members.
- Canteen facilities for students and staff.
- Free medical treatment to teaching ,Non teaching and administrative staff in CMR hospital
- Uniform for Class-IV and Security Employees.
- Organizing Health Awareness programmes.
- ATM facility is provided in the Campus.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

CMRTC adheres to API system introduced by UGC/AICTE/ JNTUH for assessment of its faculty members. However, for the non teaching staff affiliating university guidelines are followed. The faculty members are advised to download the Self Appraisal form, as available in the public domain at the institute website at their convenience. This facilitates the individual to plan their activities well in advance. Once the window for uploading the self appraisal is open, the faculty are directed to submit the completed appraisal form.

Generally the appraisal is considered for academic year starting from June to May. The appraisal is typically classified in three broad categories 1) Teaching, Learning and Evaluation Related activities 2) Research and Academic Contributions 3) Co- Curricular and Professional Development Related Activities. These covers the details of teaching, pass percentage, research, books and papers published, conferences, seminars, workshops, training programmes and academic administration carried out during the academic year. In addition to the annual appraisal, at the end of each semester, the feedback is collected from the students about their concerned faculty, which evaluates the teaching methodology, creativity and level of understanding. The submitted self-appraisal forms are consolidated with student feedback. HOD remarks will also be considered for evaluation process.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

CMR Technical Campus conducts both internal and external audits.

Internal Auditing Process: Finance Committee chaired by Director of CMRTC, forms an Internal Audit Committee (IAC) once in 6 months to conduct internal audit. It performs two types of audit.

1. Transaction Audit where IAC examines the vouchers to know

whether cash receipts and expenses are as per the cashbook?

2. Compliance Audit where IAC examines whether the amount is sanctioned by competent authority?

After auditing, IAC submits a report to the Finance Committee for necessary action.

External Auditing Process: A Chartered Accountant firm that is approved by the Board of Management carries out external audit annually to know;

- Whether strong internal systems are in place for the processes related to approvals, payments, monitoring the expenditure etc?
- Whether expenditure has been incurred as per the framed guidelines and by the approval of competent authorities?
- Whether funds have been utilized for the purposes for which they were meant?

Mechanism for Setting Internal and External Audit Objections

Objections raised during internal audit are rectified and preventive measures are taken immediately whereas objections raised in external auditing are reported to Finance Committee which shall in turn recommend suitable actions.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Institutional Strategies for Mobilization of Funds include;

- Tuition fee from students,
- Transportation fee,
- Hostel fee,
- Interest earnings on the fixed deposits of the Institution,
- Revenue realized by conducting seminars, workshops, conferences etc,
- Conducting Online and Offline exams of government or non-government agencies etc,
- Donations from philanthropists,
- Contribution of Alumni,
- Research and Consultancy works of staff,
- Infrastructure outsourcing for Cinema Shootings etc.

Institutional Strategies for Optimal Utilization of Resources include;

- At the beginning of every year, Finance Committee prepares the budget of the institution after consulting each department.
- Utmost care is taken to sanction the money within budgetary provisions and utilized only for the purposes for which it is released.
- If there is any deviation between the budgeted and actual amount, the reason for such a variance is discussed with respective in-charge of cost controlling unit and corrective measures are suggested.
- To ensure cost effective purchases, all purchases are routed through centralized purchase department.
- In the case of all research grants received, a separate ledger account is opened for each project to facilitate close monitoring and utilization of funds.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Internal Quality Assurance Cell (IQAC) observes the desirable levels of quality parameters imparting quality education by taking care through well designed curriculum, Teaching learning, evaluation process. Faculty members are provided with financial and work support in research and innovation activities. Various clubs, NCC and NSS actively organising various awareness and extension activities initiated by state and central government.

the following are the achievement /improvements are made due to quality process

- All the eligible department of the Institute are accredited by NBA
- Participating in NIRF Ranking every year, during the year of assessment 2020-21 and 2021-22 institute stood in the band of 201-250.
- In IIC Ranking institute rated with five stars.
- Best performing nodal center for virtual labs by IIITH Hyderabad
- Faculty coordinators are received appreciation certificate for their work as nodal center coordinator.
- The number publication in the department are significantly improved
- Students involvement in the publication activity is improved
- Number placements and average package is improved with proper planning and monitoring mechanism of campus training programs
- Number faculty involved in the submission of proposal to various government, non government agencies and receiving of grants are improved
- Number faculty with PhD and Number faculty pursuing the PhD improved

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC of the institution performs academic audit every year to review and suggest areas where quality need to be enhanced in the department. Institute follows academic audit as regular practice every year under IQAC.

IQAC will audit the following parameter of teaching learning in their review

- Effective teaching learning Methods and ICT Tools usage
- Process of identification of slow learner and fast learner and action taken
- Students centric learning methods used.
- Resources provided for self learning.
- Course outcomes of the course and attainment were verified and
- process of identification curriculum gap, gap analysis and action taken report.
- Placement Trainings are conducted online and assessments are done using online assessment tools and same is monitor by team of faculty assign to training activities.
- Mentoring sessions are conducted with the concern mentors are same is reported to IQAC.
- Students were informed to undergo certification program in online mode like NPTEL, Course eraetc as part of skill development.
- Students were informed to do online/Offline internship during academic break.
- Review of Research activities like Research grants, Publication and Patents
- Review the Accreditation work and NAAC AQAR.
- Other point with the permission of the chair of the committee

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

CMRTC practices best possible ways of managing the solid, liquid and E-Waste by performing several activities to manage waste from its inception to its final disposal. The various measures adopted in the institute are as follows:

Solid waste management

The solid waste can be categorised as

- Degradable (Dust, leaves, twigs, paper)
- Non-degradable (Plastic, glass, bottles, food wrappers etc)

The process of waste management proceeds in the form of collection-treatment- disposal. All forms of solid waste are collected by designated persons from the bins placed at different locations of the campus. The collected waste is fed into the solid waste treatment plant, where the entire waste is burned at around 900oC to form ash. The produced ash is used as fertilizer for farming.

Liquid waste management:

The volume of liquid waste generated at CMRTC is managed with help of sewage treatment plant (STP) located in the campus.

E-waste management:

The institute has tie up with vendor/suppliers of electronic items to buy back and upgrade as possible. The remaining e-waste is disposed through a certified vendor on periodical basis.

Hazardous chemicals and radioactive waste management: Chemical waste comes out from the laboratory is stored and processed by external agency

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The following days of importance are celebrated at CMRTC:
Independence Day & Republic Day: On these days, the national heroes are remembered and their sacrifices are highlighted. Various awards are distributed to the students who excelled in sports and social services. National Youth Day (January 12th) As part of that, delegates from Rama Krishna math deliver seminars on role of youth in building nation. National Science Day (February 28th) National science day is celebrated on every year on 28th February in memory of Dr. C.V. Raman's invention of Raman Effect. Poster presentations and quiz competitions are conducted and achievers are honored with certificates. Teachers Day (September 5th) Usually the students initiate the process of celebration in our campus by honouring the teacher and making their day special. Engineer's day (September 15th) On this day the departments organize technical competitions like project expo, essay writing, poster presentation, etc. Distinguished guests are invited to address the students and faculty to inspire the community to excel as engineers following the path of the great personality.

Education Day (November 11th)

National education Day on 11th November to commemorate the birth anniversary of Maulana Abul Kalam Azad the first education minister of Independent India.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practices:

1. Faculty Recreation Club

The club functions with a group of Executive Council with Chief Patron, patrons, President, Secretary, Treasurer and Executive Members.

Encouraging the faculty member to perform well and give their best in the work place.

Objective of the practice:

- To foster the interests of the staff in the college meetings and social functions, the provision for social intercourse and mutual helpfulness.
- To facilitate social and cultural activities for the faculty members and it provide the complimentary services.
- To promote recreation and a healthy corporate life, enhancing the quality of the work environment

2..Best Practice Title of the practice

- Free health service to all the staff, students and their families

Objective of the Practice: -

- Ensure that all students and staff have easy access to quality healthcare services without financial constraints.
- Encourage regular health check-ups, preventive care and health

education to promote overall well-being among the college community.

- Alleviate the financial burden of medical expense for the students and staff enabling them to focus on their education and work responsibilities.
- Encourage the development of lifelong health habits by educating students & staff on the importance of regular healthcare and preventive measures.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Vision The Vision of the Institute focuses on four aspects essentially: Global Standards, Value-based Education, Interdisciplinary Research, and Sustainable Development. **Academics Excellence** Quality of academic excellence can provide a value-added experience for the students. The positive outcomes are achieved by designing the curriculum to meet the global requirements and through teaching-learning methods. **Exploration of Knowledge through Research.** The Institute's determination to be transformed into a centre for major research is so, a commitment to offering high-quality teaching through: **Research-Based Learning Teaching Research Education Activities · Innovation Entrepreneurship Development** **Priority** College gives priority to promoting education for poor students and girl's students of rural background. The rural background students can't effort their education in urban colleges. Our college provides academic as well as encourage them to participate in extracurricular activities (NSS, NCC and sports) also. **Thrust** Fortunately, the college has well-qualified faculty members in different departments. They have taken their degrees from the reputed institutes from different part of the country. Therefore, students from rural background are very much benefited from our faculty teaching-learning activities. This is the thrust area that makes us distinctive in the performance of the institution.

7.3.2 - Plan of action for the next academic year

- **Collaboration with foreign university**
- **Establishing the Incubation centre for encouraging startup culture**
- **Introducing B.Tech Minor and honor degrees in the institution**
- **Improvement in number of quality publication and Patents**
- **Enhancement in Number Research Grants and Consultancy work.**
- **To obtain better rank in NIRF**
- **Improvement in Industry Institute Interaction by connecting institute with industry.**
- **Strengthen feedback, administrative and auditing System by initiating quality Practices**
- **Initiative towards the students and faculty exchange with reputed institution.**
