

EVENT REPORT ON TECH GENESIS - 2024

Date of the event Held: 10/08/2024

Organizer: CodeOholics Club

Venue/Place: CMR Technical campus Auditorium - D Block

Number of students Participants (students and Staff): 473

Description about the Event: Tech Genesis showcased two compelling keynote presentations addressing pivotal aspects of the tech industry. The first speaker provided valuable insights into securing job placements, offering practical advice on resume building and interview strategies. The second speaker shared their experiences with startup challenges, highlighting the importance of resilience and the critical role of coding skills in achieving success. Together, these talks offered a comprehensive look at navigating the tech landscape, blending practical advice with inspirational stories.

Outcome of the event : Attendees gained actionable strategies for securing job placements and practical advice on navigating the startup ecosystem. Participants left with enhanced knowledge and motivation, better prepared to advance their careers and address the challenges within the tech sector.
